B01-BLAIR

A woman with long dark hair, wearing a black latex outfit, is leaning against a tiger-print wall. She is looking off to the side with a slight smile. The outfit consists of a top with a deep V-neck and a matching bottom. She is also wearing a necklace and hoop earrings. A man's arm is visible on the right side of the frame, holding her.

One's sexual lifestyle is a choice we all make. For some it cum naturally, while others develop it over time. Georgia's is one that is slightly on the edge. No sissy sex for her. She wants it big and hard and filling her. It's just something that she says cum naturally for her. We cannot disagree! What a pretty ass she has. But wait.

## JOIN & LET'S START SOMETHING TOGETHER

A community, not a corporation, dedicated to connecting people to something bigger than themselves. We know, we know...that's bold. But ask around. People start a Kynect business to make extra money; they stay because they're transformed by the family they find here. They stay because they're given the opportunity to help others pursue their passions, big and small.

Tens of thousands of lives have been given deeper meaning through the Kynect opportunity.  
Yours could be next. [www.blair.wekynect.com](http://www.blair.wekynect.com)

I'm kinda new to the business. I've been a housewife for many, many years.

I had some retail jobs during my forties, but found them unfulfilling. Then one night, my hubby brought home a porn video and it really turned me on. I was shocked at how much fun it was. Later that night he got the best fuck of his life that night and so did I! Then I found a photographer to take some sexy pictures of me and I liked them a lot. Then I had my friend come with me and we did some sexier pictures together and I really liked those, too. I hope you'll appreciate looking at these pictures as much as I liked making them.

## FILL 'ER UP

I'm a school teacher. I live alone. I guess by today's standards, my life is pretty dull. The high point in my life is my vacation. I scrimp and save all year in order to travel to a new place every year. This year I went to Las Vegas.

When I left I didn't have a penny in my pocket. I wasn't worried, I had my credit cards. It was past midnight as I drove my rental car back toward Los Angeles. I realized that the car was low on gas and pulled into a gas station in the next little town.

A young guy came out to greet me. I told him to fill it up. When I reached for my credit card he said, "Sorry, ma'am. We don't accept credit cards."

"Is there a station around here that will?" I asked, with visions of being stranded out in the middle of nowhere.

"No, ma'am," he replied. "Not at this time of night."

"What can I do?" I pleaded, "This card is all I have."

*She's still at it...*

*Nina keeps on cumming and cumming and cumming. An adult industry veteran of an unknown number of years, she's still horny after all these years, and she still likes to perform in front of the cameras. And we're all the better for it.*

*She proves that age is no barrier to having a great fulfilling sex life. Of course, hers is also photographed and videotaped for all those who want to watch. And why not, she's proving that sex can be great at any age. And we agree because we advocate safe, passionate sex for all our readers, and the world.*

*That's also why 50+ magazine is such a great outlet for our mature population.*

"Have you got anything else of value?" he asked, leaning his head into the car. He looked at my suitcase and shook his head. "How about the trunk?"

I got out and walked back to open it. There was nothing but a jack and bald spare tire.

That's when I noticed the bulge in the front of his pants. A shiver went up my spine as I realized that the only thing I had to trade was yours truly. But we were in the middle of nowhere and there was no way anyone could ever find out.

With trembling hands, I reached out and touched the crotch of his jeans. "I must have some gas," I whispered, in my most seductive voice. For the first time in my life, I felt like a tramp.

As soon as he had filled the tank, I turned and smiled as I raised my skirt. "Fill it up," I whispered, as I let my hands slide over my pussy. I took his hand and led him behind the station.

I felt his rough hands pull my panties out of the

way just before he shoved his stiff cock to the hilt in my pussy. It was the wild-est fuck I'd ever had. The whole thing probably didn't last two minutes. I was coming like crazy before his dick was halfway into my slippery cunt.

The guy grunted, groaned, and snorted like a bull as he held my hips and pumped that monster cock in and out of my pussy. When it was over, I left him sitting in the station with his sticky cock hanging out.

His sticky cum dripped down my legs all the way back to L.A. My only problem is my urge to do it again. I'm not sure I can wait until my next vacation.

— FC., *Los Angeles, Calif.*

## **HELPING HAND**

I love your readers' letters, but never dreamed anything exciting enough to write about would ever happen to me. Boy was I wrong.

My neighbor Sandra is a nice looking woman. She's in her mid-twenties and has three small children. She had never given me any reason to believe that she would ever cheat on her husband even though she spends a great deal of time alone since her husband John travels constantly.

I frequently help her with things only a man

can handle. For instance, I always start her lawn mower. In the summer, she likes to let her kids play under the sprinkler. She usually puts on a bathing suit herself and joins them. Her bathing suit is one of the modest, old-fashioned one piece jobs.

Yesterday, the ballgame was interrupted by a call from Sandra. She wanted my wife. I told her she was out shopping. She hesitated for a moment at the news and then stammered, "I need help. This is embarrassing but the zipper on my bathing suit is stuck. I have to get dressed and pick up John at the airport. Could you help me?"

I said sure and trotted over to her house. I didn't think that much about it. I've unzipped my wife a million times. It was really no big deal. Like I said, Sandra isn't a woman you'd expect to make out with.

I tapped on the screen

door. "In here," she shouted. I followed the sound of her voice to the back bedroom. I noticed the kids napping in their rooms, so I tiptoed so as not to wake them. Sandra stood in the middle of the room with her hands behind her back, trying desperately to free the jammed zipper. I walked over to her and confidently grabbed the zipper tab. Try as I might, it wouldn't budge.

I tried to keep my mind on the zipper, but it wasn't easy. Her efforts had caused her suit to ride up into the crack of her well rounded ass. Most of her milky white cheeks was visible. I felt an embarrassing tingle in my crotch.

As we struggled to free her from the bathing suit, my stiffening prick brushed her soft, hot ass more than once. If she noticed my condition, she didn't let on. I was ready to give up when she reached over on

the dresser and picked up a pair of scissors and handed them back to me. "Cut it off if you have to. I've been wanting a new one, anyway," she added with an embarrassed giggle.

Very carefully, I pulled the material away from her body and whacked away at the material of the bathing suit. Before long I'd cut an opening parallel to the zipper. She shrugged her shoulders and let the bathing suit fall away from her magnificent breasts. I could see them in the mirror, standing proudly, each with a pink stiff nipple. She turned and smiled, "We've got to hurry. I have a plane to meet."

It was like a fantasy. She knelt and pulled my stiff cock into the open and then sat back on the bed with her legs spread. She reached between her legs and pulled her pussy lips open. "Hurry!" she gasped. I snapped out of my daze and mounted my beautiful neighbor.

It was over in less time than it takes to tell it. She started coming before my prick hit bottom on the first thrust. I was shooting hot cum into her tight tunnel before the third stroke.

All she said when I stood and pulled up my pants was thanks for the help. I think I mumbled, "Anytime," and left. Less than five minutes later, I heard her car pulling away

as she left for the airport.

I haven't seen her since it happened. I can't wait till the next time she needs a helping hand!

### **COFFEE, TEA or ME?**

I had been going to the same coffee shop for a couple years now and had taken notice of a tall, flat-chested barista woman. I've always been attracted to taller women since college (I'm five foot eight). And unlike most guys, I get really turned on by women with smaller boobs. As long as their body is tight, I'm ready to go.

The barista, Shelly, always wore loose fitting tops, so it was kind of hard to tell how big her boobs were. Believe me, I spent a lot of time checking her out, so after two years of fantasizing, I finally got the courage to ask her out. Waiting for my brew at the counter, I got up the courage and asked.

I was a little surprised when she asked me if I was serious. I assured her that I was. She apologized and said that she rarely gets attention from men because she is 42 and for other, more obvious, reasons that she couldn't talk about at the coffee shop.

After her shift ended, I came by the shop and picked her up to go out to dinner. At the restaurant, Shelly told me she had pretty much given up on men because of her height and her lack of large boobies. I confessed that those were the things that attracted me to her and she shouldn't be shy about them. After dinner, she agreed to go to my apartment.

Once we were inside and alone, she turned into an animal, kissing me passionately. I began to remove her top but she protested saying that made her too nervous. I assured her that I would be fine with her chest, but to my surprise she insisted that she remove her pants and panties instead.

Wasting no time, I dove between her legs and ate her wet pussy. She groaned and then screamed as I first licked then sucked on her erect clit. After about ten

minutes of intense pussy eating, I stood up and got undressed.

Shelly gasped when she saw my hard cock. She said it looked too big and intimidating, but she composed herself and had me lie down; then started stroking my cock.

She said that she didn't have much experience with something that big. I said she was doing fine. After a few minutes I told her I was ready to burst. She stood my dick up and inserted it into her pussy.

I was so turned on as I had never experienced a pussy so tight. Several times I had to stop thrusting to avoid premature ejaculation. I told her she was getting me too excited and that I would cum if I hadn't stopped. Shelly said I shouldn't hold back.

Then I reached up and pulled her top off. She didn't have the smallest boobs I'd ever seen.

She was probably a 34-B with perfect pink nipples already standing at attention. And that was it! As soon as I saw them, my cock began spurting out of control. Shelly came too, amazed but turned on that I was so into her. Over the hour I shot my load two more times.

Then the third time I was unable to maintain an erection. Undaunted, she started rubbing my cock again, which she did until I released my third load of the night.

No woman had ever made me cum three times in such a short space of time. I can't even count the number of orgasms she had.

The next day I returned to the coffee shop and saw that she was wearing a rather tight t-shirt instead of one of her baggy tops. I told her that she getting me worked up. She told me she couldn't talk about this stuff in public but that she was available for another date that evening.

I'm pushing sixty and I find myself going after younger and younger men. Ladies, let me tell you, if you like young meat then this is the business to be in. All of the guys are younger than me and I can have any one of them. Now if that's not going wild in the candy store, then I don't know what is. Don't believe me?. Just turn the page. Now isn't that just like robbing the cradle, but with

Horny Jodi.  
That's what they used  
to call me, even be-  
fore I really understood  
why. I was always  
pretty sexual, so it felt  
normal to me. Now I  
wear my horniness like  
a badge and enjoy my  
lustiness. I love all kinds  
of sex with all kinds of  
people, and by myself,  
too. A lot of guys and  
girls hit on me when I  
doll up so I've taken  
advantage of that a  
few times – for fun. But  
I'm very picky when  
it comes to whom  
I'll sleep with.

All that matters is if a  
guy brings me flow-  
ers and tells me I'm  
sexy. Until I hear that,  
I'm very happy play-  
ing alone with my  
long slender friend.  
It always fulfills me.

Okay, I admit I have the hots for my neighbor. And he does for me, too. It was he that talked me into having our sex life put into photos and into a video.

# Tanya

We hired a photographer and faster than you can say "cheese" and faster than he could lick my clit, I was on camera, sucking and fucking my young stallion. We've done several scenes together and it's actually quite fun. Did I mention that it's his older brother taking the photographs and video. One day, I may ask him to join us.

*How does a cabin get on to the internet?*

*It logs in, of course.*

# Cabin Fever

*A SUDDEN STORM, A LUSTY CHICK, A LONELY MAN -- AND A VERY HOT ADVENTURE*

The soft, warm cheeks of her ass rubbed gently against my cock as I lunged deeper and deeper into her slippery pussy. Sue-Ellen's back was toward me, as she held onto the patio rail and began coming for the second time. I felt like I could fuck that girl forever.

The view of the sunset over her shoulder was breathtaking, but at the time all I could see was her ripe, tight ass squirming as she begged me to fill her with my boiling seed. I was ready to explode.

I'm a bachelor and I spend every possible weekend enjoying my trailer over the lake. The first time I set eyes on her, she floated by my dock on an inflatable mattress, fast asleep. Her bathing suit barely covered her enormous breasts and tempting pussy. I had an instant hard-on.

I watched quietly as she drifted by. I saw her a few more times over the next few weeks and determined that she lived in the cabin across the lake. She was a tiny little thing. Not more than five feet tall, bright green, eyes, black hair, and a body that would make even a centerfold photographer drool.

She seemed to love exercise. Most of my glimpses of her were as she jogged or swam by my trailer. I began to look forward to our chance meetings. We reached the point that I she would smile and I would wave every time she passed.

Storms come and go very rapidly. But they can be very fierce and frightening on the lake while they

last, with lots of lightning and loud claps of thunder.

The day we met, I was fishing and she was swimming. It was a lazy Saturday afternoon. She bounced and played in the water like a porpoise while I watched from the dock. My dick was rock hard as I watched her lithe body glide through the water.

Neither of us noticed the dark clouds closing in until it was too late. The sky began spitting spikes of lightning. I jumped up and raced for the trailer. I was soaking wet before I ever made the fifty yards to cover.

Once in the warm, dry trailer I looked out the glass doors to see if my new friend was safe. She had just reached shore and stood, looking around, confused. "In here," I shouted, waving for her to join me in the trailer.

Her eyes were as big as saucers as the lightning struck the water again and again. She heard me the third time I shouted and raced back to my trailer.

We stood facing each other in the dark interior. We didn't speak as I watched the woman tremble and try to catch her breath.

I was ashamed, but couldn't help myself: My eyes were locked on her heaving breasts. My dick made an obvious lump in my shorts. She seemed not to notice. She shivered. She was cold and scared.

Without thinking, I pulled her to me and let her snuggle her wet, cold body against mine. I'm not sure how much warmth I provided. My clothes were wet, too. But she seemed to relax in my arms.

*She looked up at me and licked her lips, making smacking noises as she did. My cock jumped in the tiny, soft hands as my eyes drank in the erotic image.*

Her tummy pressed against my stiff cock and it wouldn't stop jumping. I guess she didn't mind. Because we stood there for a good ten minutes before she finally pulled away.

"Thanks," she murmured. Those deep green eyes started directly into mine. "I'm sorry I'm such a baby. But I just can't stand lightning. I grew up on this lake and still it scares me."

"No problem," I mumbled. "It's good to have company. Lightning scares me too," I admitted.

"I'm Sue-Ellen," she said.

"Rick." I was hypnotized by her ripe, full body. Her bikini fit like a second skin.

"Well, Rick. Do you have an old robe or something I can borrow? I'm freezing." Her teeth chattered.

tered. The poor woman was really cold.

She waited in the living room, while I went to the bedroom and slipped out of my wet clothes and into a robe. I brought my spare one for her. I handed her the other robe. I figured she would go into the bedroom to change, but instead she put on the robe, faced away from me, and began removing the suit.

My heart was caught in my throat. I could see her naked body reflected in the glass doors as she let the suit bottom fall to the floor. Next, she reached around and unhooked the top. Her tits were magnificent. They stood proudly, nipples erect, begging to be kissed, as she massaged them with her hands.

She pulled the robe closed and turned to face me. "Thanks. That's much better," she smiled. "I love the feel of a soft robe against my naked skin."

My prick was already standing straight out from

my body. The robe did little to hide it. I blushed as it jumped at the word naked. Her eyes stared directly at the huge lump in the robe.

"Looks like this one is going to last a while," she whispered as she walked closer to where I stood. My knees were knocking. She was so gorgeous, I couldn't think of anything else. I was determined to control myself, but she wasn't making it easy. She stopped when our bodies were only inches apart, my dick practically touching her body. The top of her head barely reached my chin. She looked up at me and licked her lips.

"It's too dark to play cards," she purred. There was a mischievous gleam in those sparkling, green eyes. A tiny, hot hand was suddenly inside the fold of my robe. She knew what she wanted. She cupped my balls with that tiny, hot hand and pulled my face down to hers with the other.

Her tongue shot into my mouth as soon as our lips touched. That tantalizing hand moved up my ready pole. She gasped, "It's even bigger than I thought. Relax. Let Sue-Ellen take care of it. It's my fault that it's all swollen. The least I can do is make the swelling go away." She mumbled the words between hot, wet kisses.

My will power vanished. I was her slave. Her hand crept slowly up and down my shaft while her thumb teased the swollen head of my prick. I closed my eyes and enjoyed the sensation.

She yanked the belt on my robe. It fell open, exposing my entire body to her appreciative stare. Her breathing accelerated as her eyes took on a sexy glaze as she knelt before me.

She nuzzled her face against my prick and balls. Then she rubbed the swollen, velvet bulb of my cock around her soft, wet lips. She spread the clear liquid oozing from the tip on to her mouth as though it was lipstick.

She looked up at me and licked her lips, making smacking noises as she did. My cock jumped in the tiny, soft hands as my eyes drank in the erotic image. She was a totally sexual animal.

Sue-Ellen made love to my cock and had me ready to explode a dozen times. Somehow she sensed just how close she could take me before I'd fill her mouth with hot cum. She would loosen her grip and lean back on her heels until I recovered. Then she would start all over with her hot hands and tantalizing tongue.

She took me to three or four peaks like that before she ever actually took all of my cock into her hot, wet mouth. At first she only allowed the head to

enter the velvet, pink cavern. Her lips would close around the rim as she teased the pulsing head with rapid flicks of her wicked tongue.

The beautiful, young woman saved the best for last. When she was ready to release my pent-up load, she reached behind me and pulled the cheeks of my ass apart. Then she took my entire cock into her mouth as she let one of her tiny fingers slip gently in and out of my anus. It felt so good that I howled as I grabbed her head and wildly fucked her wet, open mouth. She moaned and took every inch of my humping cock as her finger matched me stroke for stroke in my anus.

Once the cum began gushing from my throbbing pole into her sucking, hot mouth, I thought it would never stop. When finally, she licked the last drop of jism as it oozed from my satisfied cock, I collapsed into a chair exhausted, but my prick was still hard.

She sat there on her heels licking her lips and smiling. Her eyes never left my still stiff pole. "Now you'll last longer when you go in here," she said as she put her hands between her legs and unpetaled her perfect, pink pussy. The lips glistened in the light from the patio doors. The lips were swollen and slick with her hot juice. Her clitoris stood out from her soft pussy hair, swollen and ready.

I pushed her back on the floor and moved my face between her parted legs for an even better look at the sweet, open pussy. Her eyes shut and her hips pushed up in anticipation of my tongue. She ached for me to eat her hot snatch.

I pulled her pussy open like an orange. She shivered as my tongue dipped into the paddle of woman juice flowing from her excited pussy.

She was hotter than a firecracker. I knew that the tiniest flick of my tongue on her clit would set her off. So I avoided contact with the swollen nub and very gently thrust my tongue in and out of the squishy slit while her hips humped against my face as though my tongue was a tiny cock.

Eating her delicious pussy soon had my cock rock hard again. The feel of the throbbing organ against her ankle as I lapped her pussy only excited her more. Finally, I began a slow tantalizing journey toward her ready clitoris. Her back and hips arched off of the floor and her pussy hung in midair waiting to feel my mouth on her pretty pink nub.

When I reached her clit, I let my mouth hover over it, momentarily. "Please," she whimpered, "let me come. Suck my clit."

She began coming the second my mouth touched her tiny trigger. Her thigh clamped over my ears and she rolled her stiff clit over my lips and came. I rolled her over; my dick was hard and ready.

She had other ideas. She pushed me away, stood up and took my hand. She led me out onto the patio. The rain had stopped as suddenly as it began. The air was fresh and sweet as it mixed with the aroma of Sue-Ellen's excited pussy.

She walked ahead of me and leaned over with her elbows on the rail that surrounded the patio. Her legs were spread wide, her soft pink pussy made my mouth water. I walked up behind her and squatted, my face brushing her soft round ass.

It was hot against my face. She began squirming while I caressed the beautiful bottom with my face and mouth. But the urge to feel my cock in her tight tunnel overpowered me. I stood and held her hips as I plunged my twitching cock into the quivering pussy.

Her hot, wet, tight young pussy sucked my cock into the velvet valley in one smooth motion. I had wanted to make it last, but she was no help at all. That sweet hot pussy pulsated against my throbbing pole as she had one non-stop orgasm. I reached the point of no return; I began pumping in and out of her quivering snatch at an ever-increasing pace.

"Yes! Yes! She gasped, pushing back at my every stroke. "Come with me! Fuck me!" she screamed.

My cock exploded. Her pussy gripped my rod and milked every drop of cum from my balls.

I see Sue-Ellen about twice a week now. Each time it is different. We've had sex in the water, on the beach and on the dock. Next time she wants to fuck on skis. I might get hurt, but who cares?

I've been told that I have a really tight pussy for a fifty-year-old. Yes, it's seen more than it's share of cocks, but has stayed firm and tight and ready for more. Believe it or not, I have just recently started shaving down there. It's been a slow and tedious process.

# Chelsea

I began with different types of waxes and they hurt. I would do different pubic cuts, but they were troublesome to maintain. Now my pussy's bald and easy to maintain. Besides, my man Ryan loves it that way. He loves licking and fucking it and I hope these photos prove it.
